

Project SN→AFU®

A Game for Our Times

A VERY INCORRECT GAME THAT CAPTURES THE *INSANITY* OF PROJECTS

Revel in the fine art of Project Bashing

- Roast Management Idiocy
- Banish Mindless Bureaucracy
- Skewer the Stakeholder Zombies
- Grab the Resources You Need

Be first with your project over the Finish Line!

- Play as a Card Game -or- Play as a Board Game
- Three or more players; individuals or teams
- Politically incorrect card-play drives action on the game board
- **You get to be so very wrong in so many ways**

Download is free! Download the game, print and cut the cards to size, and play.

Grow the Game! Use the game, modify it, add to it and share what you have created with anyone, for free. See our [website](http://www.projectsnafu.com) for details.
