Stuff Happens

Exchange. Discard three Answer cards from your hand and play the next hand three cards short.

Draw two cards from the SH deck. Play both RIGHT NOW or wait and play as usual.

Project SN-AFU

Stuff Happens

Cancel one SH or NO PLAN card.

OR

Play this card on top of any other card AT ANY TIME to cancel it out.

Project SN-AFU

Stuff Happens

The PMO has extended your Team Lead responsibilities. When it is your time, be the Team Lead for two consecutive turns.

Project SN-AFU

Stuff Happens

Trade two Answer cards with any other player. You can reveal your hands and openly negotiate which cards to trade.

Project SN-AFU

Stuff Happens

Delegation training: Next time you are Team Lead, just before you look at the answers, assign someone to blindly remove one of the cards from play. They can cry if they picked their own. (Whiner)

Project SN-AFU

Stuff Happens

Move your game piece back one space. Not for any particular reason. You didn't do anything wrong. We're just messing with you. If you land on a PR space, deal with it. You can complain if you like. (Whiner)

Project SN-AFU

Stuff Happens

Do not reveal this card! Just keep it in front of you. Use it one time of your choice.

When you are Team Lead, retrieve and KEEP all SH cards played on anyone, and use them later.

Project SN-AFU

PMO has reassigned resources. - Player on your right blind-picks any two of your Answer cards and has extra cards until they are gone. - You play two cards short for one turn.	The PMO has reduced your Team Lead responsibilities. Skip serving as Team Lead one time.	Your client says quality of completed work is superb! Move your game piece forward one space or up one level on the Status board. If you land on a PR space, deal with it.	You have been temporarily assigned to another project. Give the next milestone you win (Go Forward or Back) to the player of your choice.
